#### The Ball Rolling. CATLETT'S MILLS, SEVIER Co.,

Jan. 13th, 1871. EDITORS CHRONICLE:-In your family and farmer's journal, of the 11th inst., I see that Knox and Green counties have voted a free school fund, and your journal asks, "What county will be next to step have the happy privilege to inform you that the good old county of Sevier stepped Our House Furnishing Department intoline with eyes right, and voted through our honorable County Court, ten cents on the hundred dollars and twenty-five cents on the poll, for the education of the poor children, which will do for a beginning, and which I always heard was "half the battle." They should, and I hope they will, double the tax for such glorious charitable purposes soon. All hail for Knox, Greene and Sevier counties; and I ask the question, who will be next? Yours, most respectfully, C. W. CATLETT.

From Bogersville. ROGERSVILLE, Jan. 14, 1871. This has been a gala week for the young people of our town. On last Tuesday evening a reception was given at the Rogers-ville House by the genial proprietor F. A. Butler, in honor of the marriage of Maj. W. W. Stringfield of this place to Miss Maria Love, of North Carolina, and it has seldom been our good fortune to attend a more magnificent affair. All the beauty of our magnificent affair. All the beauty of our village was present with her, and then a venerable old gent to add sobriety to the occasion, and prove to the gay and joyous youth that, though the frosts of many winters had silvered their hair, they still loved to mingle in scenes that recalled incidents of their own happy boyhood.

The Clinch Brass Band greeted the Major and his lovely bride upon their arrival, and discoursed several appropriate pieces during the evening. Everything passed off very pleasantly, and "all went merry as a marriage bell." A bright and joyous future was prophecied for the the happy couple.

The afternoon the wedding party of seventeen left the village for the large and commodious residence of Dr. Ketchum and Mr. Melendy, known as Marble Hall, where we were welcomed by the hosts, and the privilege of the whole house granted us. Soon the merry strains of the violin began, and some one called out, "partners for a cotillion," upon which a general rush was made for the ladies, and the dance began and was kept up until three in the morning. We took our departure next even-ing after dinner, leaving behind our best wishes for the future success and prosperity of our kind and generous hosts and a desire that New England might send us many more of just such material. Nothing of importance has occurred of

a political nature here. You have quite a number of our newly elected Magistrates with you at present at-tending Federal Court, on charge of viola-tion of Fourteenth Amendment. Yours,

## VINEGAR BITTERS!

Hundreds of Thousands

They are not a Vile FANCY DRINK

Made of Poor Rum, Whiser, Proof Spirits, and Reverse Liquors, doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the native Roots and Herbs of California, tree from all Alcoholic Stimulants. They are the Gerar Blood Purifier and Liff Giving Principle, a perfect Renovator and Invigorator of the System, earrying off all poisenous matter, and restoring the bloed to a healty condition. No person can take these Bitters, according to directions, and remain long unwell.

S100 will be given for an incurable case, providing the bones are not destroyed by mineral poisons, or other means, and the vital organs wasted beyond the point of repair.

For Imflammatory and Chronic Rheumatisn, and Gout, Dyspepsia, or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver. Kidneys and Bladder, these Bitters have been most successful. Such diseases are caused by Viated Blood, which is generally produced by derangement of the Digestive Organs.

They invigorate the stomach, and stimulate the torpid liver and bowels, which render them of unequaled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughe. Tightness of Chest. Dizziness, Sour Stomach, Bad Taste in the Month, Bilious Attacks, Palpitation of the Heart, Copious Discharges of Urine, Pain the regions of the Ridneys, and a hundred other painful symptoms which are the offsprings of Dyspepsia, are cured by these Bitters.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimplee, Eruptions, or Sores; cleanse it when it is foul, and your ferlings will tell you when. Keep the Blood pure, and the health of the system will follow.

Pin, Tape and other WORMS, lurking in the system of som many thousands, are effectually destroyed and removed.

## THE IRON WORLD AND MANUFACTURER

Is Published Waskly at

PITTSBURG, PA., And is the Leading—if not the only—Representative Journal of the Motal Trades Published in the United States.

Located in the very centre of the metal interests of the United States, with offices and correspondents at the leading cities of the East, West, and South, we do not err in claming that it is the Representative Jour-nal of the Metal Manufacturers, Workers, and Dealers of this Country.

THE IRON WORLD AND MANUFACTUR-THE IRON WORLD AND MANUFACTUREB has a large and extended circulation throughout the United States, and is taken by Iron and Steel Manufacturers, Machinists, Founders, Hardware Dealers and Tinners, Gunsmiths, Plumbers, Cutlery Manufacturers, File Manufacturers, Saw Manufacturers, Boiler Manufacturers, and by Leading Railway Officials.

It advocates protection to American Manufacturers. Its Markets are full and reliable. Able Correspondents traveling in the West and South. Manufacturing Items are a leading feature. Its manufacturing items are copied by the press throughout the country.

Only 84.00 per Annum.

If you are in the Metal Trade, take a Metal Paper. It will save you more than its cost. If you are a manufacturer, take the journal that advocates your interests. Don't patronize Free Trade journals, but help those who help you.

With Free Trade the manufacturers of this country would be ruined! English gold is scattered with a liberal hand to further Free Trade. Expend some of yours to favor Protection.

ral hand to further Free Trade. Expend some of yours to favor Protection.

If you advertise which is the best medium? Circulation being equal, which would you patronize—a Free Trade journal or a Protection journal? Circulation is considered the value of an advertising medium. Much depends on the character of the circulation. The New York Weekly Tribune claims 200,000 circulatio, and gets from two to five dollars per line for advertising. The IRON WORLD reaches more people engaged in the metal business than the New York Tribune. Our rates are about ten cents per line, Which will pay the best?
